

**Zekelman** *Industries*

Zekelman Industries is the largest independent steel pipe and tube manufacturer in North America and a leader in modular construction innovations. Our legacy dates back to 1877, and we're just as passionate about steel manufacturing today as we were when we were founded.

Through seven subsidiaries, Zekelman is the most trusted and comprehensive resource for structural and application-specific products. We innovate to MAKE IT eZ for customers to better manage inventory, reduce supply-chain costs, and build a better future on a foundation of domestic manufacturing. Our products are found in buildings, infrastructure, and equipment across the continent.

Zekelman advocates for domestic manufacturing and fair trade. **We support:**

 **MAKERS LEAGUE**

A campaign calling on business leaders across all sectors to buy local and partner with domestic organizations.

**AMERICAN  
METAL**

A national grass-roots initiative supporting the domestic steel industry and all the hard workers whose livelihoods depend on it.
